

Ain't That Nice

The Dixie Cups

Hey, lover boy
Don't you hear me calling you?
Just a better a way of showing
That I love you (yeah, yeah, yeah)
A much better way of you knowing
That my love is true

I kissed you once
I kissed you twice
Now ain't that nice?

All I'm asking is love in return
So that the fire in me will always burn
Something inside is telling me it's your turn (a yeah, yeah, yeah)

I thought my kisses would do
I tried to get next you (yeah, yeah, yeah)
I wanted to treat you right
And love you the rest of my life

I kissed you once
I kissed you twice
Now ain't that nice?

All I'm asking is love in return
So that the fire in me will always burn
Something inside is telling me it's your turn (yeah, yeah, yeah)
)

I thought my kisses would do
I tried to get next you (yeah, yeah, yeah)
I wanted to treat you right
And love you the rest of my life

I kissed you once
I kissed you twice
Now ain't that nice?
I kissed you once
I kissed you twice
Now ain't that nice?
I kissed you once
I kissed you twice
Now ain't that nice?
