

A Mess Like This

The Dø

Make up your mind
Where do we start?
Thinking of me
You're not allowed
Dangerous crowds
Pressing me into unthinkable voids

Are you a curse?
From bad to worse
Our affair
Helpless as I'm
Trying to react
You were the worst idea I ever had

Sometimes I wonder how I landed in a mess like this
And then you're walking through the door
And not a thing goes wrong
Sometimes you wonder how we landed in a mess like this
And bells they ring there's a day
When they will ring for us

Give me your heart
I'll give you mine
Hopeless exchange
Chapter erased
They say we're young
Too young to marry
Not too young to die

Sometimes I wonder how I landed in a mess like this
And then you're walking through the door and not a thing goes wrong
Sometimes you wonder how we landed in a mess like this
And bells they ring there's a day
When they will ring for us

Wonder how we landed in a mess like this
Walking through the door and not a thing goes wrong
Wonder how we landed in a mess like this
Ring there's a day when they will ring for

Sometimes you wonder how we landed in a mess like this
And then you're walking through the door and not a thing goes wrong
Sometimes we wonder how we landed in a mess like this
And bells they ring there's a day when they will ring for us
