

Quake, Mountain, Quake

The Dø

Say what you please
There was something trying to steal my dreams
I could feel a breath in my cheek

Someday I'll shout
Loud enough to make the mountain quake
That would be the end of your game

Say what you please
There was something trying to steal my dreams
I could feel a breath in my cheek

Someday I'll shout
Loud enough to make the mountain quake
That would be the end of your game
