

Was it a dream ?

The Dø

Touch me now
Hold me
We have all
The time
Why do you turn
Your lips
Away from mine?
Tell me

Was it a dream?
Was it a dream?

Kiss me with
Passion
You have no other
Option
Why do you let
My hand
Hang like a cloth?
Tell me

Was it a dream
Was it a dream
Was it a dream, please pinch me now
Was it a dream
Was it a dream?

Where have you been
Lately
My double bed: empty
I lie on the
Cold floor
Trying to think
Oh no!

It was not a dream
Was not a dream
Turning to the worst nightmare
Was not a dream
Was not a dream
Was not a dream, was not a dream
Turning to the worst nightmare
Was not a dream
This is real
