

# Ashley

The Dodos

Take my hand and lead me out  
To Dolores  
And leave me out in the street, I guess  
It was for us

What are you thinking of, Ashley?  
Who are you dreaming of, Ashley?  
You come down from above, Ashley

You let me sleep and let me breathe  
Where I need to  
And fool my heart to think that I  
Might have had you

What are you thinking of, Ashley?  
Who are you dreaming of, Ashley?  
You come down from above, Ashley

Take this hammer-handed heart  
And pull it off my back  
Heavy on my shoulders  
Stranded in the open sea  
I wait there hoping that  
You'll come back to see me  
Ashley
