The Dodos

Family, family first
Sworn to be brought up then burst
Quiet car rides
Acknowledgment of
Who is in there, who is inside

Born between desert and storm
And where they meet never gets warm
Quiet car rides
Memories of
Consenting adults reading on us

Caught between
Desert and storm
But further deeds
That living in

Success, success is failure
Failure is unsure
Success, success is failure
Failure is unsure
Success, success is failure
