

# My Heart Explodes

The Dollyrots

You know I can't keep calm.  
Hearing that sound, you know I go crazy  
Making me wanna dance with you, baby, ooh.

Before I lose control,  
Seeing your face, it makes me go crazy  
Losing my balance making me fall for you.  
Ooh...

[Chorus:]  
I can't stop when you keep me moving,  
Feel your beat and my mind is racing.  
Please don't stop, just love me 'til my heart  
Explodes...  
Explodes...

You know I can't calm down.  
Hearing that song, I know it's so old-school  
Bringing me back, but that's why it's so cool.

Ooh...

[Chorus]

Say, say you're mine all mine.  
Say you're mine and stay.  
Say, say you're mine, oh say...  
Say you're mine and stay.

You know I can't keep calm.  
Hearing that sound, you know I go crazy  
Making me wanna dance with you, baby, ooh.  
Ooh...

[Chorus x2]

I can't stop- la, la, la, la, la, la.  
La, la, la, la, la, la, la, la, la, la.  
La, la, la, la, love me 'til my heart explodes...  
Explodes...  
Explodes...
