## The Dollyrots

Katherine□s in her own world she□s an E head with blue hair And streaking through the party showing off her underwear Yeah Keeps dancing, no quitting

Chewing on the candy necklace soaked because she $\square$ s sweating Silence is a dealer-sort of hippie with a bag That $\square$ s filled and overflowing with his special brand of shwag Y eah

He□s way to, deep in it Always getting asked so he can never ever finish

And though you tell me that  $I\square m$  the one I know you shouldn $\square t$  be taking me home, alone Because  $I\square m$  gonna

Get you, get you, get you, get you what you need Get you, get you, get you, get you so tell me Youll be my Sid again
And Ill be Nancy Spungen what oh

Josh sits on the bench and smoking seven packs a day  $He \square s$  just an alcoholic but  $he \square s$  got a lot to say and Keeps filling and turning

Blue so in the morning he can t eat because hells hurling Julia spent all her money powdering her nose Shells not letting go Shells stripping, at Pleasures
For her upper habits that her tiny scale will measure
