Om Nom Nom

The Dollyrots

Om nom nom, Om nom nom, Yum yum
You make me go
Om nom nom, Om nom nom, Yum yum

You look good enough to eat
I love your taste it can't be beat, yeah
So now I want my treat
Better give it up fast or I might cry
Yes I might cry, might try, give it a try

[Chorus:]
And go
Om nom nom, Om nom nom, yum yum
Because you're so delicious
Om nom nom, yum yum, yum yum

It's not suppose to fit in my mouth
But I just can't quit
So don't be a hypocrite
Deep down in there you want to try
You want to try, don't lie, give it a try

[Chorus]

I think there's something wrong with me
I think I got a problem
Because every time you do the things you do, I want to bite you
It could be the way you look at me
Or maybe your aroma
And the only reason I could give, to do it cause I wanna
And you know it doesn't matter to me
I know you're inedible
Your neck, your ears, your lips would be incredible

You look good enough to eat
I love your taste it can't be beat, yeah
Don't be a hypocrite
Once you start you just can't quit
No, I just can't quit

[Chorus]
