

# Rock Control

The Dollyrots

Oh just try to scream along  
This is not rock & roll  
It's rock control

Uh oh uh oh uh oh oh oh  
Uh oh oh oh oh oh

Look to your left and to your right  
and find someone to hold  
That's just what we like to do  
Right before we lose control

Make like you're so fascinated  
Like it's gonna blow  
Like your brain is caffeinated  
Totally implode

Oh just try to scream along  
This is not rock & roll  
It's rock control

Uh oh uh oh uh oh oh oh  
Uh oh oh oh oh oh

Give it up, give it up, that's right

Cause there's no use holding in  
Take turns pushing back and forth  
Lose control and sink right in

Feel the pulsing of the bodies  
Breathe in all that sweat  
You wanted something you could feel  
That's what you're gonna get

Oh just try to scream along  
This is not rock & roll  
It's rock control

Oh, oh, oh...

What you've got, you've got on leashes  
What you've got, come on release us

Oh just try to scream along  
This is not rock & roll  
It's rock control
