

# Do You Wanna Go Out With Me

The Donnas

Do do you wanna go out with me  
Do do you wanna go out with me  
Come on baby  
Do do you wanna go out with me  
Come on baby  
Do do you wanna go out with me  
Baby can't you see  
Won't you go out with me

Nothing else will do  
I only wanna be with you

Everybody go now

Baby can't you see  
Won't you go out with me

Let's go!
