

## Friday Fun

The Donnas

Everybody's going after school  
And you know I'm gonna be there too  
And I know it's gonna be ok  
'Cause of course I'm gonna be out late

I can't stop and I can't wait  
I'm going mano all over the place  
I got my cheeba and I feel all right  
I'm gonna get it good tonight  
Good tonight

Hey hey, I'm gonna get a Friday  
Hey hey, I'm gonna get a Friday  
Hey hey, I'm gonna get a Friday  
Gonna get a Friday fun

All the boys are looking good tonight  
They got food and I want to bite  
I want to take a ride with them  
El Camino again and again

And nobody's gonna stop us now  
Gonna play the music really loud  
South City is really cool  
Everybody's got a swimming pool
