

Gimme A Ride

The Donnas

I got the message on my machine,
The party starts at 10:15
So tell me, can you give me a ride?
Drop what you're doing and meet me outside!

Speedin' up 'cause we're runnin' Late
Take the shortcut by the Super 8
I have to make it across the Bay Bridge
Fast enough to put the beer in the fridge!

Gimme a ride, gimme a ride!
It's your turn, we've got fuel to burn!
Gimme a ride, gimme a ride!
Let's go 'cause we're on a roll.

Our car is rented and it's already dented
But it's freshly lemon scented!
We might be late, but it won't kill you
Make a stop at the nearest Drive-Thru!

Gimme a ride, gimme a ride!
It's your turn, we've got fuel to burn!
Gimme a ride, gimme a ride!
Let's go 'cause we're on a roll.

Gimme a ride, gimme a ride
It's your turn, we've got fuel to burn
Gimme a ride, gimme a ride
Let's go 'cause we're on a roll.

Gimme a ride, gimme a ride
It's your turn, we've got fuel to burn
Gimme a ride, gimme a ride
Let's go 'cause we're on a roll.

Gimme a ride, gimme a ride!
