

# Perfect Stranger

The Donnas

In the shadows  
Nothin' worth my time  
Quiet offer  
Make me change my mind

Take me where I wanna be  
Say you'll never call  
Put your hands all over me  
Up against the wall

I can't get over you (perfect stranger)  
Don't wanna fall in love now  
I don't know what to do (perfect stranger)  
Never gonna find another

Drunken master  
Wanna take me home  
Perfect strangers  
Always sleep alone

Won't you take me where I wanna be  
Say you'll never call  
When you put your hands all over me  
Up against the wall

I can't get over you (perfect stranger)  
Don't wanna fall in love now  
I don't know what to do (perfect stranger)  
Never gonna find another

It's never for forever  
Wish there was a better way  
When we came together  
Said that I don't ever stay

Take me where I wanna be  
Say you'll never call  
When you put your hands all over me  
Up against the wall

I can't get over you (perfect stranger)  
Don't wanna fall in love now  
I don't know what to do (perfect stranger)  
Never gonna find another

I can't get over you (perfect stranger)  
I, I can't get over you  
I can't get over you (perfect stranger)  
I, I can't get over you
