

## Crawling King Snake

The Doors

Well, I'm the Crawl' King Snake  
And I rule my den  
I'm the Crawl' King Snake  
And I rule my den  
Yeah, don't mess 'round with my mate  
Gonna use her for myself

Caught me crawl', baby, window  
Grass is very high  
Keep on crawl' till the day I die  
Crawl' King Snake  
And I rule my den  
You better give me what I want  
Gonna crawl no more

Caught me crawl', baby  
Crawl' 'round your door  
Seein' everything I want  
I'm gonna crawl on your floor  
Let's crawl  
And I rule my den  
C'mon, give me what I want  
Ain't gonna crawl no more

Alright, crawl a while

C'mon crawl  
C'mon crawl  
Get on out there on your hands and knees, baby  
Crawl all over me  
Just like the spider on the wall  
Ooo, we gonn' crawl, one more

Well, I'm the Crawl' King Snake  
And I rule my den  
Call me the Crawl' King Snake  
And I rule my den  
Yeah, don't mess 'round with my mate  
Gonna use her for myself
