The Celebration of the Lizard

The Doors

Lions in the street and roaming
Dogs in heat, rabid, foaming
A beast caged in the heart of a city
The body of his mother
Rotting in the summer ground
He fled the town

He went down South and crossed the border Left the chaos and disorder Back there over his shoulder

One morning he awoke in a green hotel With a strange creature groaning beside him Sweat oozed from its shiny skin

Is everybody in?
The ceremony is about to begin

Wake up!
You can't remember where it was
Had this dream stopped?

The snake was pale gold
Glazed and shrunken
We were afraid to touch it
The sheets were hot dead prisons
And she was beside me
Old, she's not, young
Her dark red hair
Her white soft skin

Now, run to the mirror in the bathroom
Look!
I can't live through each slow century of her moving
I let my cheek slide down
The cool smooth tile
Feel the good cold stinging blood
The smooth hissing snakes of rain

Once I had, a little game
I liked to crawl back into my brain
I think you know the game I mean
I mean the game called 'go insane'

Now you should try this little game Just close your eyes forget your name Forget the world forget the people And we'll erect a different steeple

This little game is fun to do
Just close your eyes no way to lose
And I'm right there I'm going too
Release control we're breaking through

Way back deep into the brain Back where there's never any pain And the rain falls gently on the town And over the heads of all of us
And in the labyrinth of streams
Beneath, the quiet unearthly presence of
Nervous hill dwellers in the gentle hills around
Reptiles abounding
Fossils, caves, cool air heights

Each house repeats a mold
Windows rolled
Beast car locked in against morning
All now sleeping
Rugs silent, mirrors vacant
Dust blind under the beds of lawful couples
Wound in sheets
And daughters, smug
With semen eyes in their nipples

Wait

There's been a slaughter here

(Don't stop to speak or look around Your gloves and fan are on the ground We're getting out of town We're going on the run And you're the one I want to come)

Not to touch the earth Not to see the sun Nothing left to do, but Run, run, run Let's run

House upon the hill
Moon is lying still
Shadows of the trees
Witnessing the wild breeze
C'mon baby run with me
Let's run

Run with me Run with me Run with me Let's run

The mansion is warm, at the top of the hill Rich are the rooms and the comforts there Red are the arms of luxuriant chairs And you won't know a thing till you get inside

Dead president's corpse in the driver's car The engine runs on glue and tar C'mon along, we're not going very far To the East to meet the Czar

Some outlaws lived by the side of the lake The minister's daughter's in love with the snake Who lives in a well by the side of the road Wake up, girl! We're almost home

Sun, sun, sun
Burn, burn, burn
Soon, soon, soon
Moon, moon, moon

I will get you
Soon!
Soon!
Soon!

Let the carnival bells ring Let the serpent sing Let everything

We came down
The rivers and highways
We came down from
Forests and falls

We came down from
Carson and Springfield
We came down from
Phoenix enthralled
And I can tell you
The names of the Kingdom
I can tell you
The things that you know
Listening for a fistful of silence
Climbing valleys into the shade

I am the Lizard King
I can do anything
I can make the earth stop in its tracks
I made the blue cars go away

For seven years I dwelt In the loose palace of exile Playing strange games With the girls of the island

Now I have come again
To the land of the fair, and the strong, and the wise

Brothers and sisters of the pale forest O Children of Night
Who among you will run with the hunt?

Now Night arrives with her purple legion Retire now to your tents and to your dreams Tomorrow we enter the town of my birth I want to be ready'
