

# Beautiful People

## The Dramatics

You don't have to be pretty  
Just to be beautiful people  
You don't have to be a star  
Just as you are

Baby, you're beautiful people  
Just be yourself and no one else  
I love you for who you are

You may not get second looks  
But in my book, my darling, you're a star  
Oh, and I will always love you  
And want you by my side, my love for you  
My darling, is river deep and mountain high

You don't have to be pretty  
Just to be beautiful people  
You don't have to be a star  
Just as you are

You're beautiful people  
Just be yourself and no one else  
'Cause I love you for who you are

Don't change, don't change, don't change one hair  
Stay like you are, I will always love  
And I'll always love you  
I want you by my side, my love for you  
My darling, is river deep and mountain high

You don't have to be pretty, baby  
Just to be beautiful people  
You don't have to be a star  
Just as you are

You're beautiful people  
You don't have to be pretty  
Just to be beautiful people
