

# One Love Ago

The Dramatics

(Just sitting here thinking... just thinking...)

Lately, I been thinking about all the times we shared, hey girl  
And now we're no longer to gather I realize you cared  
But I just couldn't see it now

And here baby I am living my life with your best friend

One love ago  
When you were mine  
One love ago, sugar  
I really miss those times  
One love ago  
When you were mine  
Now here I am with her remembering you

Baby, where was my head when she called my name  
Told me you weren't home  
She said, you wanna make love?  
And she said it over and over and over and over over again  
I fell in her game, yeah

Now she's here and you're over there  
Well, and I just can't get you out of my head

One love ago  
When you were mine  
One love ago, baby  
I really miss those times  
One love ago  
When you were mine  
Now here I am with her remembering you

When I think that I should be holding you  
But could have things and should have things, just don't count  
When I recall all the love you gave me  
I should have loved you  
When I could have loved you  
Ooh...  
(Just one love ago... just one love ago)

One love ago, baby  
I really miss those times  
One love ago  
When you were mine  
Now here I am with her remembering you...
