

Please, Please, Please Let Me Get What I Want

The Dream Academy

Good times for a change
See, the luck I've had
Can make a good man turn bad
So please, please, please
Let me, let me, let me
Let me get what I want this time

Haven't had a dream in a long time
Seems the life I've had
Can make a good man bad
So for once in my life
Let me get what I want
Lord knows, it would be the first time
Lord knows, it would be the first time

Haven't had a dream in a long time
Seems the life I've had
Can make a good man bad
So for once in my life
Let me get what I want
Lord knows, it would be the first time
Lord knows, it would be the first time

Please, please, please
Let me get what I want
Lord knows, it would be the first time
Let me, let me, let me
Let me get what I want this time
