The-Dream

Dear Justin...
I miss you. I can't believe we're spread apart.
I hope this letter gets to you, from the bottom of my heart.
I love you.

I know I was so wrong for saying those things,
and I'm sorry, baby,
that I ever made you cry
You are the best thing that ever happened to me
Why, baby, baby, why
do we have to say bye-bye?

Tell me, what road do I have to take?
Tell me, what do I have to say?
'Cause I just can't stop loving you
Tell me what I gotta do to get back to you

Tell me what I gotta do to get back to you
'cause I can't live without you
Tell me what I gotta do to get back to you
'cause I can't live without you

Since you've been away, I can't sleep, baby
I miss you like crazy
and now I realize how much you mean to me
I want you back, baby (what I gotta do?)

Tell me, what road do I have to take?
Tell me, what do I have to say?
'Cause I just can't stop loving you
Tell me what I gotta do to get back to you

Tell me what I gotta do to get back to you
'cause I can't live without you
Tell me what I gotta do to get back to you
'cause I can't live without you

Tell me, what road do I have to take?
Tell me, what do I have to say?
'Cause I just can't stop loving you
Tell me what I gotta do to get back to you

Tell me what I gotta do to get back to you
'cause I can't live without you
Tell me what I gotta do to get back to you
'cause I can't live without you
