

# Body Fall

The-Dream

Girl you know I'm crazy for you  
Never felt this kinda love, baby  
That's why I'm tryna put this baby in you  
Is it me, or am I just faded?  
No-oh-oh  
Me or just faded?  
Ooh-ooh  
Is it me, or am I just faded, faded?  
Am I just faded, faded?  
Am I just faded?  
Is it me, or am I just faded?

Turn the lights off  
Let's paint our pictures on the bedroom walls  
Again and again and again and again a  
And we won't stop until your body falls

Lil' shorty, I got it for you, lil' shorty  
Lil' shorty, I wanna get it from you, lil' shorty  
Lil' shorty, I just want us to  
And it appears that you want it, too  
Me and you  
Just us two  
Oh

Girl you know I'm crazy for you  
Never felt this kinda love, baby  
That's why I'm tryna put this baby in you  
Is it me, or am I just faded?  
No-oh-oh  
Me or just faded?  
Ooh-ooh  
Is it me, or am I just faded?  
Faded, faded?  
Just faded, faded?  
Am I just faded, faded?  
Just faded, faded?  
Is it me, or am I just faded?

Turn the lights off  
Let's paint our pictures on the bedroom walls  
Again and again and again and again, ahh  
And we won't stop until your body falls

Girl you know I'm crazy for you  
Never felt this kinda love, baby  
That's why I'm tryna put this baby in you  
Is it me, or am I just faded?  
No-oh-oh  
Me or just faded?  
Ooh-ooh  
Is it me, or am I just faded?  
Am I just faded, faded?  
Am I just faded, faded?  
Am I just faded, faded?  
Is it me, or am I just faded?
