

Cold

The-Dream

All the killas and the hundred dollar billas
Hip-hop is all a nigga know [x4]
nigga know
A nigga know
It's...nigga know
All a nigga know
It's all a niggga know
Yea [x5]

Babe, you got me drowning in this ocean of blue
Babe, don't you dare act like you have no clue
Babe, and after all I did and all I do
Babe, this is what I get for loving you

I should have seen it coming
Soon as you walked through that door
But you was so motherfucking stunning
Even "yes" couldn't tell you "no"
Tears of fire, my desire got me here in flames
And I don't know what's worse
To burn like hell, or to bear your rain
She threw them beats on
Started bumpin' Frank Ocean, right in front of me
Now it's Drake songs, followed by The Weekend
Then Miguel, now Drake's on
Then it's C Breezy, followed by Usher
Watchin' all them niggas ear fuck her
She's tryin' to get up under me, under me
But she can't get under me, but she under me

Baby, you so cold
Damn, you so cold
I'm not her baby no more
She said, I'm not her favorite no more
God damn, baby
You so cold

Babe, gave you all my love and you took all of me
Babe, might as well take the rest of me, nothing's left of me
Babe, I must admit I played your fool
Babe, this is what I get for loving you

I should have seen it coming
Soon as you walked through that door
But you was so motherfucking stunning
Even "yes" couldn't tell you "no"
Tears of fire, my desire got me here in flames
And I don't know what's worse
To burn like hell, or to bear your rain
She threw them beats on
Started bumpin' Frank Ocean, right in front of me
Now it's Drake songs, followed by The Weekend
Then Miguel, now Drake's on
Then it's C Breezy, followed by Usher
Watchin' all them niggas ear fuck her
She's tryin' to get up under me, under me
But she can't get under me, but she under me

Be like that
Why you wanna be like that?
Why you gotta be like that?
It ain't even gotta be like that
Girl, why you wanna be like that?
We ain't gotta be like that
She say she wanna be like that
'Cause we can be like that
