The-Dream

La la la la la la  
La la la la la la

Boy I know you're a bit unsure  
So I wanna let you know that you got me  
Baby I'm all yours  
Gotta have you around  
I don't wanna do without you here  
If you still don't get the picture

I'm crazy about you (crazy)  
And I, I gotta have you  
'cause I like the way you making me feel (boy I like the way)  
Boy for real  
La la la la la la  
I'm crazy about you (make me feel)  
And I, I gotta have you (gotta have you)  
'cause I like the way you making me feel  
Boy for real

La la la la la la  
Can't wait to be alone with you  
Heart is racing when you look at me  
Baby if I could I would wanna feel this way for good  
You don't know just what you do to me  
Baby I got to be wit you

I hope you really understand (me)  
Can't make it hard for you to (see)  
That we (were meant to be together)  
(So) before I let you (go)  
There's something I think you should (know)  
That you, you got my

I'm young Marcus aka Harlem Knights  
Good morning ma heard you had a long flight  
You look so good and pretty as the sunshine  
Girl you're a gold mine wifey and the whole nine  
You captivated my whole mind first time I met you  
And Lord knows I ain't got time to sweat you  
But you look crazy in that new Mercedes  
And baby I can't act like shit don't phase me  
'cause I try to fight it, try to conceal and hide it  
No matter what girl I can't deny it  
I'm just a fool for your love  
I'm cool out the clubs  
I just wanna move smooth like I'm cruising on dubs (say what)  
I'm a grown man ma I choose who I love,  
Choose who I hug, choose who I usually rub  
For other chicks I don't usually budge  
If you wanna know the reason why I choose you because  
You got me crazy

(Break it down come on)

La la la la la la  
I'm crazy about you (I'm crazy about you baby)  
And I, I gotta have you  
'cause I like the way you making me feel (you make me feel so good)  
Boy for real

La la la la la la  
I'm crazy about you (Dream)  
And I, I gotta (2003) have you  
'cause I like the way you making me feel  
Boy for real (bad boy baby)

I'm crazy about you  
And I, I gotta have you  
'cause I like the way you making me feel  
Boy for real [2x]
