

Gorgeous

The-Dream

I wanna be in your fantasy
A fabulous ecstasy

Hey gorgeous, hey gorgeous
Niggas like it but they can't afford it
And you don't think, you don't think
You're the freak of the week with that bomb shit
Now you fucked up, doin' dumb shit
Like fallin' in love over bum dick
Hey gorgeous, hey gorgeous (Whoo!)

Ooh, girl, you're the moonlight of my night
And I never saw the starlight shine so bright, ooh
Ooh, girl, could set the night on fire
You sure know how to make me feel alive, uh
Ooh, girl, in that midnight fire
And I'm ready to knock you out if that's alright

And we can do this anywhere
Here or there
I don't care, ooh na-na-na-na
All alone, I'll put on a show
Still be all in your, ooh na-na-na-na
Back and forth, up and down we go
On that rodeo, ooh na-na-na-na
24. all week, (We) on the peak

Hey gorgeous, hey gorgeous
Niggas like it but they can't afford it
And you don't think, you don't think
You're the freak of the week with that bomb shit
Now you fucked up, doin' dumb shit
Like fallin' in love over bum dick
Hey gorgeous, hey gorgeous
Hey gorgeous
Gorgeous

Ooh, girl, I love that white on white
And that lace hang off that thing just how I like (Just how I like)
Ooh, girl, let's take our love offline
Leave it all behind, make this all the time
Me and you forever

And we can do this anywhere
Here or there
I don't care, ooh na-na-na-na
All alone, I'll put on a show
Still be all in your, ooh na-na-na-na
Back and forth, up and down we go
