

# Lemon Lean

The-Dream

Now I don't wanna just buy you shit  
Though super deep in my mind, girl I wonder how lit you get  
Ready made promises  
Don't just wanna see how you look when you riding it  
We made you promises  
But I want to be the one that makes you change your mind

Now B said the best revenge is your paper  
Well I think your best revenge is my human nature  
You don't need me to save ya  
I see you got it covered with Paris, embroidered labels  
Do me no favors  
Just sit that thang down  
Open it up and let me taste it  
You say you don't need me  
I'm in knee deep

Say ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh  
You say you don't need me  
Just wanna make you say  
Ooh, ooh, ooh, ooh  
I'm in knee deep  
Ooh, ooh, ooh, ooh  
I'm knee deep  
Ooh, ooh, ooh, ooh  
Just wanna make you say

Still I'm a love you the same  
Whatever I bought, girl you got it  
Whatever I've broken, I'll buy it  
Tattoo your namesake all over my body  
I don't see you the same  
I see a queen  
You should see a king  
I never put you up under me  
Even while you layin' under me  
And I'm not tryin' to get under you  
I just wish to be under you  
She like what that mean  
Sippin' that lemon lean  
Girl come here  
Lemme tear your skin off  
Tear your body off, oh  
Girl where you put your heart at?  
Let me put your heart back, oh  
Girl who am I kiddin'?  
And who are you bullshittin'?  
You know you need somebody to come through and lick it, lick it  
Kiss it, kiss it  
Time ticking, ticking  
Let me be sweet to you  
Stop being so vicious  
Vindictive  
Lemme be good to you  
Lemme be good to you

Now B said the best revenge is your paper  
Well I think your best revenge is my human nature  
You don't need me to save ya  
I see you got it covered with Paris, embroidered labels  
Do me no favors  
Just sit that thang down  
Open it up and let me taste it  
You say you don't need me  
I'm in knee deep

Say ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh  
You say you don't need me  
Just wanna make you say  
Ooh, ooh, ooh, ooh, ooh  
I'm in knee deep  
Ooh, ooh, ooh, ooh, ooh  
I'm knee deep  
Ooh, ooh, ooh, ooh, ooh  
Just wanna make you say

But how do I come off not chauvinistic?  
The truth is too simple to use against me  
You're so addictive  
You gotta know that you're so addictive  
I only got one job and you tryin' to take it from me  
I only got one job and you tryna take you from me  
Girl why would you take you from me?  
I've broke religious laws for ya  
For centuries, centuries, centuries  
I've went to war for ya  
I do this for you  
You think that I don't, but I do  
I do this for you  
I'm still the same  
I'm still that carpenter  
They took me from both of us  
I'm still a warrior  
It's all good  
Just take me when it falls like Rome again  
When it's time to defend homes again  
Take bullets for ya  
I still adore ya  
Act like you belong to this  
Put down your phone and shit  
Come and handle this  
Don't dismantle this

Now B said the best revenge is your paper  
Well I think your best revenge is my human nature  
You don't need me to save ya  
I see you got it covered with Paris, embroidered labels  
Do me no favors  
Just sit that thang down  
Open it up and let me taste it  
You say you don't need me  
I'm in knee deep

Say ooh, ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh, ooh  
You say you don't need me  
Just wanna make you say  
Ooh, ooh, ooh, ooh, ooh

I'm in knee deep  
Ooh, ooh, ooh, ooh, ooh  
I'm knee deep  
Ooh, ooh, ooh, ooh, ooh  
Just wanna make you say
