The-Dream

Shit, that shit, that shit  
They my shit, my shit, my shit  
They my shit, my shit, my shit  
They my, they my, they my, they my, they my  
They my shit, why is my shit  
This my shit girl, this my shit  
Ah that's my shit girl, that's my shit

It's 5.30 in the morning  
I can't sleep  
It's like everytime you leave  
You take another part of me  
Yeah, huh  
5.31 in the morning  
I pray you're dreaming about me  
I wish you would have just stayed with me  
Baby just lay with me  
I been tryna get you to focus  
I'm all about you  
I hope that you've noticed  
Quit bringing up your past  
Then you're last, girl focus  
I know you think it's hopeless  
Say your ex being in and out of your life  
If you want, we can put that nigga on notice  
He ain't even got to come and get that shit  
Come over here, leave that shit where it is  
Put that nigga on notice  
Bring your mind and body to my destination  
Break your lease, don't worry about a early termination  
Put that nigga on notice  
Put that nigga on notice  
Oh baby
