

# Rise

The-Dream

Yeah, uh  
Yeah, uh  
Yeah, uh  
Yeah

Summer with you's like the sweetest grapevine  
When you cross my mind, time after time  
Fall with you, is simply, is just falling  
Head over heels, they say, so divine  
Loving you is so incredible  
I can't leave you alone  
Not a day goes by, goes by, goes by that I don't want you  
And I need you, divine

We'll rise together, forever  
Amen  
Every morning, every morning  
I hope we rise, together, forever  
Amen  
Every morning

Winter with you, we become closer and closer  
Every melody I sing is just a gift for you  
Spring with you, everything's new again  
So much love already, I wonder where the first half of the year went

Can't wait to rise together, forever  
Amen, oh, my lady  
Every morning when I wake  
Get ready to rise together, forever  
Amen  
With you, with you  
With you, with you

You make me whole, true human being  
You've took me out the cold, and the birds start singing  
And it's beautiful to know that people are happy for us  
Happy for this kind of love

Every morning I hope that we rise together, forever  
Amen, my lady  
Not too early, not too late  
On time, we rise together, forever  
Amen, ooh, oh, yeah, oh-oh  
Oh-oh, oh-oh
