

Temptation

The-Dream

Yeah

How the fuck am I supposed to reply to this shit?

Don't tell me tonight

Don't remind me that it's been forever (Ever)

Don't tell me tonight

I haven't reminisced in forever (Ever)

I know you know that I know that I got a girl

You even follow her on the gram

Don't be like this

Don't make me miss

What we used to do

Forget what you did

Don't tell me tonight

Don't remind me that it's been forever (Ever)

Don't tell me tonight

I haven't reminisced in forever (Ever)

Don't tell me tonight

Don't remind me that it's been
