

Why Me?

The-Dream

She looks in the mirror
She doesn't know what she sees
Can be everything {thing}
They want her to be
Everything they see
As a perfect girl {yeah}
She cries every night
Cause the pain inside
It hurts so bad {hurts so bad}
And she says

{Why me? why me?}
Can't live your life wasting your time
Looking for a reason why things go wrong
It may not feel right but don't give up the fight
Cause everyone has their time, so be strong
Gotta take it step by step
Keep it moving, don't you let it get you down
Stop saying why me

She's so sick of lying
She's tired of trying
To be someone that she just can't be
She's looking elsewhere
Not knowing that right there
Is a missing part
That's the key of her heart
Loving herself
Something that she never felt
And that was the only thing she needed

{Why me?}
Can't live your life {Can't live your life}
Wasting your time {Wasting your time}
Looking for a reason why things go wrong
It may not feel right but don't give up the fight
Cause everyone has their time, so be strong
Gotta take it step by step
Keep it moving, don't you let it get you down
Stop saying why me

You know everyone {goes through it}
You're not alone {you can do it}
Don't give up {I know it's rough}
To find your way
Even though the nights are long
It can only make you strong
Hold on, stay strong, you belong

Can't live your life {Can't live your life}
Wasting your time {Wasting your time}
Looking for a reason why things go wrong
It may not feel right {it may not feel right}
But don't give up the fight
Cause everyone has their time, so be strong
Gotta take it step by step
Keep it moving, don't you let it get you down

Stop saying why me

Everybody wants the reason why
Can't live your life {Whoa}
Wasting your time {time}
Looking for a reason why things go wrong
It may not feel right {may not feel right}
But don't give up the fight {give up the fight}
Cause everyone has their time, so be strong
Gotta take it step by step
Keep it moving, don't you let it get you down
Stop saying why me
