

Head Above The Water

The Dreggs

And I can feel it on my own
And I don't know what to do when she calls me home
The sun is on my back
And I don't know if she can feel it, too

And I don't know where to go
Said I don't know if she feels it all

So just give me the real you
The only you hone
The only you feel
The only you sow

And yet I'm feeling kinda cold
How is she supposed to know that I feel all alone
It was a feeling deep down below
A feeling of not knowing my own growth

And I don't know where we'll go
Tell me why she don't feel if she feels at home

Just give me the real you
The only you hone
The only you feel
The only you sow

Keep my head above the water now
'Cause I'm feeling like I'm gonna drown
Keep my head above the water now
Give me the real you
Keep my head above the water now
'Cause I'm feeling like I'm gonna drown
Keep my head above the water now
Give me the real you
Keep my head above the water now
'Cause I'm feeling like I'm gonna drown
Keep my head above the water now
Just give me the real you
Keep my head above the water now
'Cause I'm feeling like I'm gonna drown
Keep my head above the water now
Just give me the real you

Keep my head above the water now
'Cause I'm feeling like I'm gonna drown
Keep my head above the water now
Give me the real you
Keep my head above the water now
'Cause I'm feeling like I'm gonna drown
Keep my head above the water now
Give me the real you
Keep my head above the water now
'Cause I'm feeling like I'm gonna drown
Keep my head above the water now
Just give me the real you
Keep my head above the water now
'Cause I'm feeling like I'm gonna drown

Keep my head above the water now
