

# Hold Me Closer

The Dreggs

Honey, can we stay a while  
You look good in that old white dress  
And I've been thinking of every time you turned and looked at me and you  
Yeah, you sweep me off my feet

Honey, can we stay a while  
The way the sunlight shows the warmth in your smile  
It takes me back to when I first saw you dancing in the street and you  
Yeah, you sweep me off my feet

Well, hold me closer, my dear  
Cause our love is stronger  
You told me, darling, I'll be near  
And I am yours to keep  
As long as you're here

Darling, let's waste away the day  
And I've been searching for the words to explain  
The way our sheets fall down the sides of the bed we made last night  
Fix them up in the morning light

It's in the way you say my name  
It's in the way I'm not afraid anymore  
Oh, I'm not scared of waking up  
When I'm waking up with you  
Cause I was more scared of waking up alone  
Yeah, I was more scared of waking up alone

Oh, hold me closer, my dear  
Cause our love is stronger  
You told me, darling, I'll be near  
And I am yours to keep  
As long as you're here

Singin'  
La da, la da, la da  
La da, la da, la da

Oh, hold me closer, my dear  
Cause our love is stronger  
You told me, darling, I'll be near  
And I give myself to you  
As long as you're here

Oh, hold me closer, my dear  
Cause our love is stronger  
You told me, darling, I'll be near  
And I am yours to keep  
As long as you're here

Singin'  
La da, la da, la da  
La da, la da, la da da  
  
La da, la da, la da
