

Just For One Night

The Dreggs

Tell me what you want
Tell me what you need
For just one night we'll fall into each other's arms
And pretend that this was not for greed
Tell me something about yourself, my dear
Or look into a stranger's eyes and feelin' like I've known them for
A thousand years
I set aside my plans for you

Even if it's just for one night
Ohhh oh oh
Ohhhh
Ohhh oh oh

We can hold each other down with the weight of our oceans
Just so we have a sense of the storms you and I bear
But darling I have just one confession
I must tell you
We won't be sailing for too long
Cause after tonight
I won't be there
But just for now this fire burns

Even if it's just for one night
Ohhh oh oh
Ohhhh
Ohhh oh oh

And I'm drawn to you
From across the room
No no

And I'll hold you down
Make this fire burn with you
You'll hold me down too

Ohhh oh oh
Ohhhh
Ohhh oh oh

Tell me what you want
Tell me what you need
For just one night
We'll fall into each other's arms
And pretend that this was meant to be
