

# Madeleine

The Dreggs

Madeleine where did you go  
Well I've been sitting here by the phone  
One step forward and two steps back  
I'm sick and tired of giving you slack  
No I won't wait around for you  
No I won't wait around for the truth

I don't know  
I don't know what to do  
Cause I've been played by you  
So where'd you go Madeleine

Madeleine where did you go  
Well I've been thinking bout  
Your last words, When you said  
I can't do this no more  
Then you walked right out my door  
And my heart still beats broken in two  
Well two halves make a whole but I left one with you

I don't know  
I don't know what to do  
Cause I've been played by a fool  
So where'd you go Madeleine

Where'd you go last night  
I put my heart on the line  
And then I gave you my time

All my love has gone to waste  
You help my heart in a dark and empty place  
At least I tried

So where'd you go Madeleine  
Where'd you go last night  
I put my heart on the line  
And then I gave you my time

So where'd you go Madeleine  
Where'd you go last night  
I put my heart on the line  
And then I gave you my time

We were meant to be together  
For the longest time  
I thought I gave you my life (My life)  
We were lost on the journey  
For the heart shaped lies  
I'm begging you for some time  
So tell me what's on your mind  
Before we end the night
