

## Simple Question

The Dreggs

Take my hand and everything will be alright  
Save your blades for something else  
Don't hurt yourself  
Just fight

I understand it must be hard for you  
But there's not one thing I wouldn't do  
I'll give you my heart  
If you feel like yours is cracked in two

So let me ask you one thing  
A simple question, I need an answer  
Are you ok? Are you ok?

And all these voices  
I know they're giving you pains  
You're one more bottle from a bottom of a river  
Feeling like you're going insane

But did you know?  
Did you know I'll be there for you?  
I want you to tell me all your thoughts  
And all your feelings  
So I know what to do

So let me ask you one thing  
A simple question, I need an answer  
Are you ok?

Are you ok?  
Are you ok?  
Are you ok?  
Are you ok?

Take my hand and everything will be alright  
I know it so damn hard to hold on for another night  
Well I understand the pain is severe  
Wont you hold my hand for another year  
Or maybe 2 or 3 or 4 or more  
Because your life is as beautiful as your soul

So let me ask you one thing  
A simple question, I need an answer  
Are you ok? Are you ok?
