Oh, didn't it (Didn't it?)  
Didn't it make you cry (Didn't it?)  
Didn't it hurt so bad (Didn't it?)  
When you said goodbye? (Didn't it?)

Didn't it hurt so much  
You couldn't even speak?

Woah, baby, now you know, now you know  
How it feels when the one that you love so  
Turns around (Turns around), puts you down (Puts you down)  
Lets you go (Lets you go), now you know!

Woah, didn't it  
Didn't it break your heart  
Didn't it hurt so bad  
It tore your near apart  
Woah, didn't it  
[?]  
Oh, baby, now you know  
What you did to me?

Woah, didn't it?  
Woah, didn't it?

Oh, didn't it?  
Oh...
