Drip, drip, drippity drop Drip, drip, drippity drop

The roof is leaking And the rain's falling on my head Drip, drip drippity drop

Well, the roof is leaking And the rain's falling on my head Drip, drip drippity drop

I cried so hard teardrops soiled my face Drip, drip drippity drop

Well, she packed up her clothes And she moved out on the midnight train Drip, drip drippity drop

Well, she packed up her clothes And she moved out on the midnight train Drip, drip drippity drop

You know, this empty room Is driving me insane Flip, flip flippity flop

Well, I'm sitting here drinking Thinking what I'm gonna do Sip, sip sippity sop

Well, I'm sitting here drinking Thinking what I'm gonna do Sip, sip sippity sop

You know the roof is leaking And the rain is falling through Drip, drip drippity drop

Well, I ran into my buddy
He gave me a tip, tip, tip
He said, "Your woman's gone and left"
I said, "I'm hip, hip, hip"

I said, "Just mind your own affairs And bite your lip, lip, lip I don't need you to tell me She gave me the slip, slip, slip"

Because the roof is leaking And the rain's falling in my head Drip, drip drippity drop

I cried so hard Teardrops soiled my face Drip, drip drippity drop Drip, drip drippity drop Woah, oh

Drip, drip drippity drop

Woah, oh
