

# Every Night's A Saturday Night With You

The Drifters

-Chorus-

Every night's a Saturday night with you.  
Even on a Monday night, ahh we can have a party for two.

- Me and you.

Tuesday, Wednesday, Thursday, >n'Friday too.

Oh I wanna tell you every night's  
like a Saturday night with you.

Remember - how we used to meet the gang  
How we always danced the same  
>Those week ends too.

Remember, you do

It's funny - but I don't miss them anymore  
Though they were fun times babe for sure.

- I wouldn't, change the way things are right now.

-Repeat Chorus-

Remember how we met for our first date.  
I was nearly >one hour>Looked so fine too.  
Remember, you do

You waited you didn't ask me to explain.  
We walked together through the rain.

- And all that night, I made sure you were mine.

-Repeat Chorus-
