The Drifters

Jackpot
Jackpot

I never caught the brass ring
On a merry-go-round
I never won a cupie doll
By knocking bottles down
Ain't a prize I ever got for free
But gosh, oh gee, oh lucky, lucky me

I hit the
Jackpot
I hit the
Jackpot
Yessiree
One little kiss from you
And baby I knew
I hit the
Jackpot

I buy a box of cracker jacks
There's no toy inside
I never won a bet no matter how hard I tried
It seems I always lose each game I play
But from now on each day is my lucky day

Because I hit the
Jackpot
Baby your really really really mine
I hit the
Jackpot
Baby, gee you are so fine
One little kiss from you
And baby I knew
I hit the
Jackpot
I hit the
Jackpot
Yeah
I hit the
Jackpot
Baby your really really really mine
One little kiss from you
And baby I knew
I hit the
Jackpot
I hit the
Jackpot
Yes I did, yes I did
I hit the
Jackpot
