

Lonely Winds

The Drifters

Lonely wind, lonely wind
Lonely wind, lonely wind

Lonely wind
(Lonely winds)
Keep right on blowing, whoa
Lonely wind
(Lonely winds)
You know where my baby's going

I said won't you bring
(Bring)
Woah, bring
(Bring)
Yeah, I ask you to bring now
(Bring)
Whoa, you bring
(Bring)

Yeah, I want you to bring my, my, my
My-my-my little bitty girly on home to me
(Lonely wind, lonely wind)

Lonely wind
(Lonely winds)
I'm all alone sighing, whoa
Lonely wind
(Lonely winds)
Can't help from crying

I said now blow
(Blow)
Yeah, I asked you to blow
(Blow)
Whoa, I asked you to blow now
(Blow)
Yeah, I want you to blow
(Blow)

Yeah, I want you to blow my, my
My little, little, my little, little girly on home to me
(Lonely wind, lonely wind)

Lonely wind
(Lonely winds)
I'm all alone moaning, whoa
Lonely wind
(Lonely winds)
Oh, I'm so lonely

I said won't you bring?
(Bring)
Woah, bring
(Bring)
Yeah, I ask you to bring now
(Bring)
Whoa, you bring

(Bring)

My-my-my little bitty girly back home to me

(Lonely winds)
Keep a-right on blowing
