

# Up on the Roof

The Drifters

(Up on the roof)  
(Up on the roof)

When this old world starts getting me down  
And people are just too much for me to face (Up on the roof)  
I climb way up to the top of the stairs  
And all my cares just drift right into space (Up on the roof)

On the roof, it's peaceful as can be  
And there, the world below can't bother me  
Let me tell you now

When I come home feeling tired and beat  
I go up where the air is fresh and sweet (Up on the roof)  
I get away from the hustling crowds  
And all that rat race noise down in the street (Up on the roof)

On the roof's the only place I know  
Where you just have to wish to make it so  
Let's go up on the roof (Up on the roof)

At night, the stars put on a show for free  
And, darling, you can share it all with me  
I keep-a tellin' you

Right smack dab in the middle of town  
I found a paradise that's trouble-proof (Up on the roof)  
And if this world starts getting you down  
There's room enough for two up on the roof (Up on the roof)

Up on the roof (Up on the roof)  
Oh, come on, baby (Up on the roof)  
Oh, come on, honey (Up on the roof)  
Everything is all right (Up on the roof)
