Ooh-woah

Baby, I got to know
Why do we take it slow?
I don't want you to go
Baby, I got to know, hmm
How you feel and how you taste
You can't ever be replaced
My forever, everyday
Only you can keep me sane
Keep me sane, yeah, yeah

Ooh-woah
Ooh-woah
Ooh-woah

Yeah, girl, I can't wait gotta know now
How do you taste? Can I find out?
Baby, put it back, make it pop out
This could take a while
Makin' a mess at my mom's house
Baby, don't wait it'll burn out
Baby, can we vibe, oh, let's vibe out
We should take, let's take a while

Baby, I got to know (Know-oh-oh)
Why do we take it slow? (Slow, oh, no)
I don't want you to go (To go, she go, no)
Baby, I got to know (To know, hmm)
How you feel and how you taste
You can't ever be replaced (No, no)
My forever, everyday
Only you can keep me sane (Yeah)
Keep me sane, yeah, yeah
