

I'd Rather Die

The Driver Era

I shouldn't drive
I'm way too high
Can't get enough

Not what it seems
Or can I be
Am I in love?

I'm on my knees
I'm begging please
Can't give you up
Tonight
Tonight

Tomorrow
I'll do it tomorrow

I know I've said this before
About a thousand times
I try my best to be good
But I live for the night
Baby can't you see
I got everything that I need
But if I can't have you

I'd rather die
I'd rather die
If I can't have you
I'd rather die
I'd rather die

I've been losing my balance
My balance my balance
Keep on keeping these habits
These habits
Its tragic

Bitch don't kill my vibe
Cause this shit is paradise
You gotta keep it up
Make me feel alright
Feel alright
Feel alright

I know I've said this before
About a thousand times
I try my best to be good
But I live for the night
Baby can't you see
I got everything that I need
But if I can't have you
I'd rather die
I'd rather die
If I can't have you
I'd rather die
I'd rather die
