Malibu

The Driver Era

All day cuz I don't know better
All day bettin on a chance
Don't wanna watch you slip through my hands

Off the ground like we used to dance
Remember how we never had no plans

Straight to my head like I'm floating above the clouds
All I see is stars
Far from the panic don't know how I live without
Live without

Malibu
Why don't you take me to
Take me to

Malibu
Lost in the way you move
Malibu
Can't stay away from you

Show me the light
Deep in your eyes
I can't deny
That's paradise

Right here in Malibu
Wish I could stay with you
Stay here in Malibu

Summer nights got me fucked up
On the edge and I got no safety

Summer nights got me fucked up
Been a while since I felt this way

Say we're not coming back down
Tell me right now
Run it back now baby

Summer nights got me fucked up
In the backseat makin love

Straight to my head like I'm floating above the clouds
All I see is stars
Far from the panic don't know how I live without
Live without

Malibu
Lost in the way you move
Malibu
Can't stay away from you

Show me the light
Deep in your eyes
I can't deny
That's paradise

Right here in Malibu
Wish I could stay with you
Stay here in Malibu
