

Dying

The Drums

All my life dying
All my life dying
All my life dying
All my life dying

I could tell you how I'm feeling
But I know that you won't understand
Got that fucking smile back on your face
Couldn't trust you now, I couldn't trust you then
So when I look up to heaven, and somewhere and sunny I know
Yeah, I'm all alone, yeah, I'm all alone
I'm so alone, yeah, I'm so alone

All my life dying
All my life dying
All my life dying
All my life dying
All my life dying
All my life dying
All my life dying
All my life dying

I could tell you how I'm feeling
But I know that you won't understand
'Cause in just a minute, I'm just a girl
I'm just a girl, I'm just a girl

Give me a kiss and tell me I'm forgiven
You telling jokes, I'm laughing, I don't get them
Loyalty comes when loyalty is given
But I admit it

All my life dying
All my life dying
All my life dying
All my life dying

I don't wanna be alone forever
You know, you're the one that get me wet
I mean, you know, you're the one that make me better
Moved out still wearing your sweater
I could tell you how I'm feeling
But I know that you wouldn't get it

Saw you're blowing up my phone
Told you I ain't see the message
I don't wanna be alone
I don't wanna be a burden
If it's love I know for sure
If it's love I know for certain
I just wanna find my person
Someone who thinks I'm perfect

All my life dying
All my life dying
All my life dying
All my life dying

I don't wanna be alone forever
