Darling, I wonder if you could even tell
That there are flowers growing
In places I once fell
I opened up my heart to you
I opened it so wide
And you couldn't find the strength
To confront all your weakness
So you tried to steal mine

And I don't know
How you live with yourself
But all I really need to know
Is that's for someone else to figure out

I place my feet on the corner of the mat
I'm building muscles I didn't know I had
I place my feet on the corner of the mat
You have lost control of me
I'm gonna backflip outta this
And you can watch the replay in slow-motion
I'm the one with the pretty little arc in my back
I'm the one with the pretty little arc in my back
(I'm the one with the pretty little arc in my back)

There was so much love I had for you
A gift you left unwrapped
Oh I'll leave it in the past
Cuz I won't go back
Back to a place
Where you'll manipulate
All my vulnerabilities
What's beautiful in me
My sensitivity

And I don't know
How you live with yourself
But all I really need to know
Is that's for someone else to figure out

I place my feet on the corner of the mat
I'm building muscles I didn't know I had
I place my feet on the corner of the mat
You have lost control of me
I'm gonna backflip outta this
And you can watch the replay in slow-motion
I'm the one with the pretty little arc in my back
I'm the one with the pretty little arc in my back
(I'm the one with the pretty little arc in my back)

I place my feet on the corner of the mat
(I place my feet)
I'm building muscles I didn't know I had
(I'm building muscle)

I place my feet on the corner of the mat
You have lost control of me
I'm gonna backflip outta this
(Backflip outta this)
And you can watch the replay in slow-motion
(You can watch the replay in slow-motion)
I'm the one with the pretty little arc in my back

Chalk on my hands
And I smell metal
I'm gonna collect my "10"
Chalk on my hands
And I smell metal
I'm gonna collect my "10"
Chalk on my hands
And I smell metal
I'm gonna collect my "10"

Chalk on my hands
And I smell metal
I'm gonna collect my "10"
Chalk on my hands
And I smell metal
I'm gonna collect my "10"
Chalk on my hands
And I smell metal
I'm gonna collect my "10"

But I know
Today I feel strength
But tomorrow
I will feel like total garbage
I will feel like
Nothing
Nothing
