

Try

The Drums

I don't know how to care about you
Any more than I do, do, do, do...
And I can't make you love me
Any more than you do, do, do, do...

And you don't even try
You don't even try
You don't even try
You don't even try

I have changed my whole life for you
And what do you do, do, do, do?...
And I can't make you love me
Any more than you do, do, do, do

And you don't even try
And you don't even try
And you don't even try
And you don't even try

I don't know how to care for you
Any more than I do, do, do, do
