

# You Lied

The Drums

This is not what I planned [?]  
You lied, you lied, you lied  
You lied, you lied, you lied

And all ends today  
I don't feel anymore  
And all ends today

And this is what I get for loving you  
You lied, oooh, you lied

And all ends today  
I don't feel anymore  
And all ends today  
I don't feel anymore

And all ends today  
I don't feel anymore  
And all ends today

I don't feel...  
I don't feel...  
I don't feel...  
(I don't feel)
