

## Ploughboy Lads

The Dubliners

When she was only sixteen years  
A beauty she was wearing  
Ah little, little did she think  
That she'd be soon a-grievins oh oh

For the ploughboys lads are gay braw lads  
They'll court you and deceive you  
Oh they'll take all and they'll gang awas  
And leave the lasses grievins oh oh

If she'd stayed home when she was told  
And done her mammy's bidden oh  
She'd not be sitting by yon fireside  
Singin' hush abye my baby, oh oh

Hush a-bye, she's your ma  
But the Lord knows who's your daddy oh  
So maids take care and ye beware of the young  
man in the gloamin' oh oh
