

Preab San Ól

The Dubliners

Oh it's never too late
To co-conspire commiserate
All it takes is a little bit of love and an awful lot of hate
Is it real?
Does it exist
I know it's wrong
But who am I to resist
All I want is one more time
Some of yours and some of mine
I don't want to spoil the fun but am I the only one who sees wh
at's going on
Am I the only one who remembers the man from San Sebastian
It's just a few more miles
I'll make it smooth and worth your while
Oh don't look so nervous man
We're just here to lend a hand
I don't want to spoil the fun but am I the only one who sees wh
at's going on
Am I the only one who remembers the man from San Sebastian
Am I the only one
Am I the only one
Am I the only one
Who remember the man from San Sebastian
From San Sebastian
From San Sebastian
Am I the only one
Am I the only one
San Sebastian
Am I the only one
Who remember the man from San Sebastian
From San Sebastian
From San Sebastian
