

## The Sun Is Burning

The Dubliners

The sun is burning in the sky  
Strands of clouds go slowly drifting by  
In the park the lazy bees  
Are droning in the flowers, among the trees  
And the sun burns in the sky  
Now the sun is in the West  
Little kids go home to take their rest  
And the couples in the park  
Are holdin' hands and waitin' for the dark  
And the sun is in the West  
Now the sun is sinking low  
Children playin' know it's time to go  
High above a spot appears  
A little blossom blooms and then draws near  
And the sun is sinking low  
Now the sun has come to Earth  
Shrouded in a mushroom cloud of death  
Death comes in a blinding flash  
Of hellish heat and leaves a smear of ash  
And the sun has come to Earth  
Now the sun has disappeared  
All is darkness, anger, pain and fear  
Twisted, sightless wrecks of men  
Go groping on their knees and cry in pain  
And the sun has disappeared
